Dear Friend,

The Rotary Club of Lee's Summit is making plans for its eighth annual **Heart of the Summit 5k/10k/10k relay/mile walk on September 7, 2019, 8:00 am -10:00 am in downtown Lee's Summit.** At the 2018 event we had approximately 300 participants and volunteers. The success of this event is credited largely to sponsors like you who lend their names and financial support. **100% of the net proceeds is used to support local projects for the Lee's Summit Police Department and the Lee's Summit Fire Department.**

Family fun is on the agenda. We will have face painters, a choir, a drum line and vendors with activities for the youth. We also offer a breakfast of pancakes and sausage. We are promoting teams: if you have a team in addition to the number of free registrations, any additional runners who sign up as a team receive \$5 off per member.

As a sponsor, your organization will benefit from extended exposure through media campaigns and promotional efforts directed to the community, supporters of Rotary and First Responders. For a small donation, you will receive excellent exposure to an important segment of your target audience.

We have four levels of sponsorship packages as detailed in the enclosed sponsorship commitment form. You can select the level of participation that best meets your needs and be secure in the knowledge that your sponsorship fee will be used to assist with needs of the Lee's Summit Police Department and the Lee's Summit Fire Department.

If you have any questions contact Susan at 816.835.3459 or Coffman.susan@gmail.com. Please return your sponsorship commitment form no later than August 16th in order for your organization to be included in all the promotional materials.

The Rotary Club of Lee's Summit is proud to once again present this great community event and we hope that you will join us as a sponsor at a level appropriate for your organization. Also, please consider forming a corporate team so that your business can compete in the biggest or fastest team contest. It's a great corporate team builder!

Thank you in advance for your willingness to support the efforts of Rotary and the First Responders who serve our community.

We're counting on your support!

Susan Coffman
